

ECE Safety Policy Statement

ECE Travel LTD (ECE) commit to providing the highest quality educational travel programmes which are in all cases, **Responsible, Safe and Honest**. We're a proud member of the School Travel Forum, a professional trade association that promotes school travel and upholds best in class health and safety processes that are rigorously assessed by external qualified auditors.

Due to our commitment to the highest possible standards of quality and safety, we will ensure best practice relating to all of our operations and at all times, whilst paying close attention to the requirements of our customers.

We will undergo regular staff training and safety reviews in order to maintain the highest standards.

All personnel will adhere to ECE safety policies and will comply with our operating procedures at all times.

Full regard will be given to the Health and Safety Policy in matters of future development with the provision of financial support where reasonable and appropriate.

ECE will monitor safety performance, revising the policy statement and associated documents annually and when required due to changes in legislative guidelines and requirements.

We will actively seek customer feedback and input to ensure the best possible safe and enjoyable customer experience.
